Bigshare i-Vote E-Voting System

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM ARE AS UNDER:

- i. The voting period begins at 9-00 am on Tuesday, 9th September, 2025 and ends on Thursday 11th September, 2025 at 5-00 pm. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 5th September, 2025 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. 2. OPERATIONS

The Financial Year 2024-2025 has ended with the company earning a profit of Rs. 205.93 Lakhs after Tax. The Company's operations are still on very low scale and confined mostly to the business needs of its wholly owned subsidiary. The Company does not anticipate any significant revenue growth from operations in the coming years. The Company is focussing on developing the activities of its Broking Subsidiary, Maximus Securities Limited, as the Stock Markets are showing optimistic outlook and is currently working towards merger of Maximus Securities Limited with itself. The Company shall however focus on developing new activities commensurate with its capabilities. The company expects to concentrate on stock broking activities and with the likely merger of the subsidiary business with itself, the business is expected to grow in future.

3. OUTLOOK

The company is trying to undertake new Non - NBFC activities and these activities earned a net income of Rs. 0.67 Lakhs during the year. Other operations have yielded an income of Rs 190.00 Lakhs and Rs.25.20 Lakhs as Rent. Company's business is confined to attending to past issues from its earlier operations and provide support to the subsidiary's operations. The business outlook of the subsidiary is showing continued optimism.

4. LITIGATIONS

The Company's appeal in SAT in respect of Payment of Reinstatement fees to BSE did not meet with success. However, the Companies Appeal towards interest charged on payment of Listing fee is being heard by SAT.

The Company during the year has settled the Execution Petition filed against it in Mehasana, Gujarat for a value of Rs.19.14 lakhs.

5. DIVIDEND

The Board of Directors have approved a Dividend of 1% on Preference Shares amounting to Rs.1.40 Lakhs as per the terms of the instrument subject to confirmation of members in the ensuing Annual General Meeting. However, no dividend is recommended on Equity Shares to conserve resources.

6. REDEMPTION OF PREFERENCE SHARES

The Board of Directors have approved the redemption of preference shares to the extent of Rs.70 Lakhs out of the total amount of Rs.140 Lakhs. The preference shares have become due and payable.

7. ANNUAL RETURN

The Annual Return of the Company as on 31st March, 2025 in accordance with Section 92(3) of the Act read with the Companies (Management and Administration) Rules, 2014, can be accessed on the Company's website under Financials FY 2024-25 Tab at www.hybridfinance.co.in

MANAGEMENT DISCUSSION AND ANALYSIS

The company would be drawing up the resource plans to carry out future operations in fee-based areas.

FINANCIAL REVIEW

The company's income was Rs.352.97 Lakhs which includes Rs.190.67 Lakhs towards operational income and Rs.162.30 Lakhs as other income (which includes Tax Refunds) and the company earned a pre-tax profit of Rs.205.93 Lakhs.

BUSINESS ANALYSIS OUTLOOK

The business outlook continues to be guarded and uncertain.

The business of the Subsidiary is showing signs of uptick due to continued buoyancy in the stock market and the unexpected improved performance of the Corporates despite the Covid Pandemic

Both the Global Outlook and the Domestic Outlook continue to exhibit continued optimism. The Company is continuously scanning the environment for opportunities besides keeping a hawkish eye on the ground to avert any unforeseen mishap. Appropriate Risk Management Initiatives are continuously practiced.

RISK AND CONCERNS

The company faces the challenge of Contingent Risks which the company is not currently facing but may be exposed too.

The Business environment has still not improved and gives the strained financial position the Company continuous to focus only

on Fee Based Activities. Also, due to tougher regulatory conditions the Company is not contemplating any immediate business plans. The Companies' financial position also does not provide any opportunities to undertake any fund based business presently.

INTERNAL CONTROL AND THEIR ADEQUACY

The company has appropriate and adequate internal control system, which are sufficient for the level of activities carried by it. The internal audit is being carried out by an external firm of Chartered Accountant and their findings are reviewed at reasonable intervals. The Board is of the opinion that the internal control system is adequate to the size of the Company's business.

The company has fully computerised and integrated financial and accounting function.

INDUSTRIAL RELATIONS

The Company as on 31st March 2025 has two employees (Two Wholetime Directors) in its payroll. The relationship was cordial.

CAUTIONARY STATEMENTS

Statement in the Management Discussion and Analysis describing the Company's position and expectations may be "forward looking statements" within the meaning of applicable securities laws and regulation. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/supply and price conditions in the market in which the Company operates, changes in the Government Regulations, tax laws and other statutes and incidental factors.

Opinion

We have audited the accompanying Standalone Financial Statements of **HYBRID FINANCIAL SERVICES LIMITED ("The Company")**, which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and profit including comprehensive income, the statement of changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to;

- Note 2.18 (10) of the Standalone Financial Statements, which states that the Company has made provision towards gratuity on the basis of Gratuity Act instead of Ind AS 19 as prescribed by ICAI. "Employee Benefit.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr No	Key Audit Matters	Auditor's Response
1	<u>Disputed Tax and other liabilities</u> The Company is involved in various legal, regulatory, and tax-related matters, the outcomes of which are inherently uncertain and may result in significant financial liabilities. The management's assessment and disclosures relating to these matters, including contingent liabilities, are provided in Note 2.18(1) to the standalone Ind AS financial statements. The evaluation of such matters involves significant judgment and reliance on legal interpretations, external legal opinions, and historical precedents. As a result, there is a risk that provisions and contingent liabilities may not be adequately recognized or disclosed in the financial statements. Given the complexity, level of judgment involved, and potential financial impact, we have determined this to be a Key Audit Matter.	<u>Principal Audit Procedures</u> • We obtained an understanding of the processes implemented by management to identify, evaluate, and account for legal, regulatory, and tax-related exposures, including discussions with the Company's legal and finance teams. • We reviewed a summary of litigation and regulatory matters prepared by management and discussed the status and potential impact of significant cases. • Where applicable, we reviewed external legal opinions and regulatory correspondence obtained by the Company to assess the merit and potential outcome of ongoing disputes. • For material litigations, we assessed management's evaluation of the likelihood and magnitude of potential liabilities, including their basis for recognition or non-recognition of provisions. • We reviewed the accounting treatment and the adequacy of related disclosures in accordance with Ind AS 37 – <i>Provisions, Contingent Liabilities and Contingent Assets</i>. • Based on our procedures, we exercised professional judgment to evaluate whether the provisions and disclosures in the standalone Ind AS financial statements are appropriate and adequate.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the annual report but does not include the standalone financial statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by the Management and Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Management's and Board of Directors' use of the going concern basis of accounting in preparation of financial statement and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

 - (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
 - (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d) (i) and (d) (ii) contain any material mis-statement.
 - e) The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.
 - f) Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

(C) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****Opinion**

We have audited the Internal Financial Controls over financial reporting of **Hybrid Financial Services Limited** ("the Company") as of 31st March 2025 in conjunction with our audit of Ind AS standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls system over financial reporting and such Internal Financial Controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Standalone Financial Reporting issued by the Institute of Chartered Accountants of India. (The "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining Internal Financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over financial reporting included obtaining an understanding of Internal Financial Controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and Directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

38TH ANNUAL REPORT 2024-2025

Note No. 1

SIGNIFICANT ACCOUNTING POLICIES

I) CORPORATE INFORMATION

The Company's main business activities are Management Consulting, providing Debt Recovery Advise, Consultancy in Financial, Secretarial, Commercial, Legal, Direct and Indirect Taxation, Other Levies, Statistical, Accountancy and Other Fields. The Company is having Registered Office / Head Quarter in Mumbai. The Company presently has no branches.

II) SIGNIFICANT ACCOUNTING POLICIES:

a. BASIS OF PREPARATION:

The financial statements have been prepared in accordance with Indian Accounting Standards (hereafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of Companies Act, 2013 (the "Act") read with Companies (Indian Accounting Standards (Ind AS)) Rules, 2015 and other relevant provisions of the Act.

The financial statements have been prepared on a historical cost convention and accrual basis, except for certain financial assets and liabilities measured at fair value.

b. USE OF ESTIMATES

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined.

c. OPERATING CYCLE FOR CURRENT AND NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

d. PROPERTY, PLANT AND EQUIPMENT (INCLUDING CAPITAL WORK-IN-PROGRESS)

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition / installation of the assets less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

e. INVESTMENT PROPERTY

Land or Building held to earn rentals or for capital appreciation or both rather than for use in the production or supply of goods and services or for administrative purposes; or sale in the ordinary course of business is recognised as Investment Property. Investment Property are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Though, the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in Notes.

Investment properties are de-recognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of de-recognition.

f. DEPRECIATION/AMORTISATION ON FIXED ASSETS

Depreciation on Fixed Assets is provided on straight-line method in accordance with life of assets specified in Part C of Schedule II to the Companies Act, 2013 as per details given below:

Sl.No.	Nature of Assets	Estimated useful life in years
1	Building	60
2	Computers - Servers	6
3	Computers – End user devices	3
4	Furniture and Fixtures	10
5	Motor Vehicles	8
6	Office Equipments	5

AMORTISATION

Expenses incurred on Computer Software are amortised on straight line basis over a period of three years.

ASSETS ACQUIRED IN SATISFACTION OF CLAIMS

Assets acquired in satisfaction of claim has been accounted at fair value of the assets acquired and is marked down by a subsequent reduction in the Net Realisable Value, if any.

g. IMPAIRMENT OF NON FINANCIAL ASSETS

Non-financial assets other than inventories and non-current assets held for sale are reviewed at each balance sheet date to determine whether there is any indication. If any such indication exists or when annual impairment testing for an asset required, the company estimates the asset's recoverable amount. The recoverable amount is higher of assets or cash generating units (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash flow that is largely independent of those from other assets or group of assets.

When the carrying amount of an assets or CGU exceeds its recoverable amount, the assets are considered impaired and is written down to its recoverable amount.

h. STOCK IN TRADE / SECURITIES FOR SALE

Stock in trade is valued at weighted average cost or net realisable value whichever is lower.

i. CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purpose of cash flow statement comprise cash in hand, balances in current accounts with scheduled banks and bank deposits.

j. REVENUE RECOGNITION

Revenue is recognized when there is reasonable certainty of its ultimate realization / collection. Revenue is net of Goods and Service Tax where recovered.

(i) Income from Operations

Brokerage income is recognized on transactions on which "Settlements" are completed during the year. In case of Income from Marketing of Financial Products the same are accounted on cash basis.

(ii) Profits on Sale of Investments

Profit on Sale of Investments is accounted reckoning the average cost of the investments.

(iii) Other Income

Other Income is accounted on accrual basis except Dividend Income, Interest on Government Bonds and Interest on Income Tax Refunds which are accounted on cash basis.

k. BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

l. RETIREMENT BENEFITS

The Company has dissolved the Provident Fund Trust and is in the process of closure of the same as there are no employees left other than the two Whole Time Directors and Chief Financial Officer. The Company's Superannuation Fund is administered through Life Insurance Corporation of India and is recognised by the Income Tax Department. Company's contribution to Superannuation Fund for the year is charged against revenue. The Company has provided for Gratuity in Current Year for the Two Wholetime Directors.

m. LEAVE ENCASHMENT

Provision is made for Leave Encashment on the basis of actual leave to the credit of the employee.

n. TAXES ON INCOME

Current Tax is determined as per Law. Deferred Tax Asset and Liability are measured using the tax rates that have been enacted or substantively enacted at the Balance Sheet date.

o. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are provided on the basis of management evaluation of the same and reviewed on the basis of events happening, besides disclosures in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

p. LEASED ASSETS

Rentals in respect of assets taken on operating lease by the company are expensed with reference to the lease and other considerations.

q. FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets**Initial Measurement:**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement:

Subsequent measurement is determined with reference to the classification of the respective financial assets and the contractual cash flow characteristic of the financial assets, the company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit and loss.

Financial Assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial Assets at fair value through other Comprehensive Income (FVOCI)

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL

Debt instruments included within the FVTOCI category are measured at fair value with all changes recognized in profit and loss. However currently the company does not have any financial instrument in this category.

Equity Investment

All equity investments in scope of Ind AS 109 are measured at fair value except unquoted equity investments including investment in subsidiary which are stated at cost. Equity instruments which are held for trading are classified as at FVTPL. For other equity instruments, the company decides to classify the same either as at FVTOCI or FVTPL. The company makes such election on an instrument by instruments basis. The Classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, all fair value changes on the instrument, excluding dividends are recognized in other comprehensive income.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit or loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial Liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

• Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at fair value.

• Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

• De-recognition of Financial Liabilities

Financial Liabilities are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other gains/(losses).

• Offsetting Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis; to realise the assets and settle the liabilities simultaneously.

r. FAIR VALUE MEASUREMENT

The Company measures financial assets and financial liability at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation Techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation Techniques for which the lowest level input that is significant to the fair value measurement is unobservable. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation and other relevant documents.

The NCLT has passed first motion order dated 26th November 2024 dispensing with the requirements of Shareholders' Meeting for merger and ordered on completion of other legal / statutory formalities to complete the merger.

29. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

Financial Risk Factors

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Company.

Market Risk

Market Risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, by providing for the same, while optimising the return.

Interest Rate Risk

The Company has financial assets which are at fixed interest rates and is therefore not exposed to the risks associated with the effects of fluctuation in interest rates.

Foreign Exchange Risk

Foreign Currency Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. As the company does not deal in forex transaction, there is no foreign exchange risk.

Credit Risk

Credit Risk represents the potential loss that the Company would incur if counter parties fail to perform pursuant to the terms of their obligations to the Company. The Company limits its credit risk by carrying out transactions. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position. The Company's main credit risk concentration as on 31st March 2025 is negligible.

There is no risk in terms of Bank Balances, since the counterparty is a reputable bank with high quality external credit ratings.

Liquidity Risk

Liquidity Risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company manages liquidity risk by maintaining adequate reserves, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of the financial assets and liabilities. The table below illustrates the aged analysis of the Company's financial liabilities.

INDEPENDENT AUDITORS' REPORT

To,
The Members,
HYBRID FINANCIAL SERVICES LIMITED
Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **HYBRID FINANCIAL SERVICES LIMITED ("The Company")**, which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information. (Hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and profit including comprehensive income, the statement of changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to;

- Note 2.22 (3) of Consolidated Financial Statement which state that the Subsidiary Company has not provided for income tax for the year but has created a contingency provision of Rs 34 lakhs towards income tax as the merger application with parent company is pending at NCLT.
- Note 2.22 (13) of the Consolidated Financial Statements, which states that the Company has made provision towards gratuity on the basis of Gratuity Act instead of Ind AS 19 as prescribed by ICAI. "Employee Benefit".

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr No	Key Audit Matters	Auditor's Response
1	<u>Disputed Tax and other liabilities</u> The Company is involved in various legal, regulatory, and tax-related matters, the outcomes of which are inherently uncertain and may result in significant financial liabilities. The management's assessment and disclosures relating to these matters, including contingent liabilities, are provided in Note 2.22(1) to the Consolidated Ind AS financial statements. The evaluation of such matters involves significant judgment and reliance on legal interpretations, external legal opinions, and historical precedents. As a result, there is a risk that provisions and contingent liabilities may not be adequately recognized or disclosed in the financial statements. Given the complexity, level of judgment involved, and potential financial impact, we have determined this to be a Key Audit Matter.	<u>Principal Audit Procedures</u> We obtained an understanding of the processes implemented by management to identify, evaluate, and account for legal, regulatory, and tax-related exposures, including discussions with the Company's legal and finance teams. We reviewed a summary of litigation and regulatory matters prepared by management and discussed the status and potential impact of significant cases. Where applicable, we reviewed external legal opinions and regulatory correspondence obtained by the Company to assess the merit and potential outcome of ongoing disputes. For material litigations, we assessed management's evaluation of the likelihood and magnitude of potential liabilities, including their basis for recognition or non-recognition of provisions. We reviewed the accounting treatment and the adequacy of related disclosures in accordance with Ind AS 37 – <i>Provisions, Contingent Liabilities and Contingent Assets</i>. Based on our procedures, we exercised professional judgment to evaluate whether the provisions and disclosures in the standalone Ind AS financial statements are appropriate and adequate.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the annual report but does not include the consolidated financial statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors Responsibility for the Consolidated Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards

38TH ANNUAL REPORT 2024-2025

specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by the Management and Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Management's and Board of Directors' use of the going concern basis of accounting in preparation of financial statement and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Consolidated Financial Results, including the disclosures, and whether the Annual Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements. We remain solely responsible for our audit opinion.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity within the Group to express an opinion on the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d) (i) and (d) (ii) contain any material mis-statement.
- e) The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.
- f) Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- (C) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
- In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****Opinion**

We have audited the internal financial controls over financial reporting of **Hybrid Financial Services Limited** ("the Company") as of 31st March 2025 in conjunction with our audit of Ind AS Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Consolidated Financial Reporting issued by the Institute of Chartered Accountants of India. (The "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and Directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The Company is having Registered Office / Head Quarter in Mumbai. The Company presently has no branches.

The Subsidiary Company's main business activities are Share and Stock Broking, Investment, Depository Participant and Marketing of Financial Products. The Company is having Registered Office / Head Quarter in Mumbai and has no branches.

II) SIGNIFICANT ACCOUNTING POLICIES:

a. BASIS OF PREPARATION:

The financial statements have been prepared in accordance with Indian Accounting Standards (hereafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of Companies Act, 2013 (the "Act") read with Companies (Indian Accounting Standards (Ind AS)) Rules, 2015 and other relevant provisions of the Act.

The financial statements have been prepared on a historical cost convention and accrual basis, except for certain financial assets and liabilities measured at fair value.

b. USE OF ESTIMATES

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined.

c. PRINCIPLES OF CONSOLIDATION:

The consolidated financial statements relate to Hybrid Financial Services Limited (the Company), and it's wholly owned Subsidiary incorporated in India. The consolidated financial statements have been prepared on the following basis:

The financial statements of the Company and its subsidiary have been prepared based on a line-by-line consolidation by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transaction.

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the company's individual financial statements.

d. OPERATING CYCLE FOR CURRENT AND NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current /non-current classification.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

e. PROPERTY, PLANT AND EQUIPMENT (INCLUDING CAPITAL WORK-IN-PROGRESS)

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

f. INVESTMENT PROPERTY

Land or Building held to earn rentals or for capital appreciation or both rather than for use in the production or supply of goods and services or for administrative purposes; or sale in the ordinary course of business is recognised as Investment Property. Investment Property are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Though, the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in Notes.

Investment properties are de-recognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of de-recognition.

g. DEPRECIATION / AMORTISATION ON FIXED ASSETS

Depreciation on Fixed Assets is provided on straight-line method in accordance with life of assets specified in Part C of Schedule II to the Companies Act, 2013 as per details given below:

Sl.No.	Nature of Assets	Estimated useful life in years
1	Building	60
2	Computers - Servers	6
3	Computers – End user devices	3
4	Furniture and Fixtures	10
5	Motor Vehicles	8
6	Office Equipments	5

AMORTISATION

Expenses incurred on Computer Software are amortised on straight line basis over a period of three years.

ASSETS ACQUIRED IN SATISFACTION OF CLAIMS

Assets acquired in satisfaction of claim has been accounted at fair value of the assets acquired and is marked down by a subsequent reduction in the Net Realisable Value, if any.

h. IMPAIRMENT OF NON FINANCIAL ASSETS

Non- financial assets other than inventories and non-current assets held for sale are reviewed at each balance sheet date to determine whether there is any indication. If any such indication exists or when annual impairment testing for an asset required, the company estimates the asset's recoverable amount. The recoverable amount is higher of assets or cash generating units (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash flow that is largely independent of those from other assets or group of assets.

When the carrying amount of an assets or CGU exceeds its recoverable amount, the assets are considered impaired and is written down to its recoverable amount.

i. STOCK IN TRADE / SECURITIES FOR SALE

Stock in trade is valued at weighted average cost or net realisable value whichever is lower.

j. CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purpose of cash flow statement comprise cash in hand, balances in current accounts with scheduled banks and bank deposits.

k. REVENUE RECOGNITION

Revenue is recognized when there is reasonable certainty of its ultimate realization / collection. Revenue is net of Goods and Service Tax where recovered.

(i) Income from Operations

Brokerage income is recognized on transactions on which "Settlements" are completed during the year. In case of Income from Marketing of Financial Products the same are accounted on cash basis.

(ii) Profits on Sale of Investments

Profit on Sale of Investments is accounted reckoning the average cost of the investments.

(iii) Other Income

Other Income is accounted on accrual basis except Dividend Income and Interest on Government Bonds which are accounted on cash basis.

I. BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

m. RETIREMENT BENEFITS

The Parent Company has dissolved the Provident Fund Trust and is in the process of closure of the same as there are no employees left other than the two Whole Time Directors and Chief Financial Officer. The Company's Superannuation Fund is administered through Life Insurance Corporation of India and is recognised by the Income Tax Department. Company's contribution to Superannuation Fund for the year is charged against revenue. The Company has provided for Gratuity in Current Year for the Two Wholetime Directors as per the Gratuity Act, 1972.

The Subsidiary Company has also dissolved the Provident Fund Trust and is in the process of closure of the same as the number of employees has fallen below the Statutory Minimum. The Company's Super Annuation Fund is covered by the scheme with Life Insurance Corporation of India, are charged to the Profit & Loss A/c. The Company also provides for gratuity as per the Gratuity Act, 1972.

n. LEAVE ENCASHMENT

Provision is made for Leave Encashment on the basis of actual leave to the credit of the employee.

o. TAXES ON INCOME

Current Tax is determined as per Law.

Deferred Tax is calculated at tax rates that have been enacted or substantively enacted at the Balance Sheet date and is recognized on timing differences, being the difference between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred Tax Assets subject to the consideration of prudence, are recognized and carried forward only to the extent that there is a reasonable/virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

p. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are provided on the basis of management evaluation of the same and reviewed on the basis of events happening, besides disclosures in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

q. LEASED ASSETS

Rentals in respect of assets taken on operating lease by the company are expensed with reference to the lease and other considerations.

r. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial AssetsInitial Measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement:

Subsequent measurement is determined with reference to the classification of the respective financial assets and the contractual cash flow characteristic of the financial assets, the company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit and loss.

Financial Assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial Assets at fair value through other Comprehensive Income (FVOCI)

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL. Debt instruments included within the FVTOCI category are measured at fair value with all changes recognized in profit and loss. However currently the company does not have any financial instrument in this category.

Equity Investment

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For other equity instruments, the company decides to classify the same either as at FVTOCI or FVTPL. The company makes such election on an instrument by instruments basis. The Classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, all fair value changes on the instrument, excluding dividends are recognized in other comprehensive income.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit or loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial Liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

- Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at fair value.

- Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

- De-recognition of Financial Liabilities

Financial Liabilities are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other gains/(losses).

Offsetting Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis; to realise the assets and settle the liabilities simultaneously.

HYBRID FINANCIAL SERVICES LIMITED

s. FAIR VALUE MEASUREMENT

The Company measures financial assets and financial liability at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation Techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation Techniques for which the lowest level input that is significant to the fair value measurement is unobservable. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation and other relevant documents.

The Company has already provided during the earlier years out of abundant caution 50% of the Principal Liability in case of Sl. Nos. 1, 2, & 4 and 55% in case of Sl. Nos. 3 as Contingency Provision. During the year the Company has reversed Contingency Provision on Income Tax Demand as the same is not required any more due to time limitation for filing of appeal. During the year the Company has also reversed Contingency Provision on a Customer Case which was settled.

Presently all the above matters are under litigation with various authorities and hence based on the final outcome or management perception appropriate accounting entries will be passed fastening the liability or its reversal.

2. **Exceptional Items**

The Exceptional Item of Rs.19,14 ('000s) in the current year represents the settlement made against a Customer Demand. The Exceptional Item of Rs.688 ('000s) in the previous year represents the Custodial Fees paid to NSDL for the years from 2013-2024 to 2018-2029 as the Bill for this demand raised by them during the previous year.

- The Subsidiary Company has not provided for Income Tax for the year but has created a contingency provision of Rs. 34,00,000/- towards Income Tax as the merger application with the parent Company, Hybrid Financial Services Limited is pending at NCLT. Upon sanction of the merger by NCLT, the accounts would have to be recast with effect from 1st April, 2024 to adopt the merger and the company is not expecting any Income Tax payable.
- During the earlier year the Subsidiary Company had made a Provision @ 10% of the Market Value of all the Quoted Investments out of caution and cover as unforeseen fluctuation in market prices. The realizable value of market investments is subject to market volatility and associated tax incidences if any. In view of the same the provision was made. During the year the Company has made a provision of Rs. 16,37,300/- as against the provision of Rs.61,72,100/- in the previous year. The provision created so far as on 31st March 2025 is Rs. 2,40,98,000/- as against Rs. 2,24,60,700/- as on 31st March 2024.

32. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

Financial Risk Factors

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Company.

Market Risk

Market Risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, by providing for the same, while optimising the return.

Interest Rate Risk

The Company has financial assets which are at fixed interest rates and is therefore not exposed to the risks associated with the effects of fluctuation in interest rates.

Foreign Exchange Risk

Foreign Currency Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. As the company does not deal in forex transaction, there is no foreign exchange risk.

Credit Risk

Credit Risk represents the potential loss that the Company would incur if counter parties fail to perform pursuant to the terms of their obligations to the Company. The Company limits its credit risk by carrying out transactions. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position. The Company's main credit risk concentration as on 31st March 2025 is negligible.

There is no risk in terms of Bank Balances, since the counterparty is a reputable bank with high quality external credit ratings.

38TH ANNUAL REPORT 2024-2025

Liquidity Risk

Liquidity Risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company manages liquidity risk by maintaining adequate reserves, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of the financial assets and liabilities. The table below illustrates the aged analysis of the Company's financial liabilities.
